

Dear Citizens of Telos.

Telos Worker Proposal

SteemChurch Telos Expansion – Phase 2

Submitted - September 2019.

Please find the following IPFS link to our **Phase 2 Worker Proposal**.

Due to the size of the file, we did not wish to take the risk that our proposal would fail upon upload.

We do apologise that there were some problems with the conversion from Word to PDF, so the quality of the proposal paper is not as high as we would have liked - particularly the formatting.

Please forgive us.

The parishioners of the SteemChurch are working very hard to bring hundreds, now thousands of people to SteemChurch. It is our pleasure and we hope we have your continued support for funding, so we might continue our ground-based recruitment drive.

For those who have not yet seen a copy of our **Beatitude Whitepaper**, we have included a link here for your information as well.
